

Following is the complete process for getting results from DigiLocker

If Aadhaar linked DigiLocker account does not exist

1. Sign up on DigiLocker (<https://digilocker.gov.in/public/register>) using mobile number
2. Confirm the OTP received
3. Create user ID and Password of the account and then login
4. Link your Aadhaar with DigiLocker account
5. Go to Issued Document section and click on the Pull Documents link
6. Select BSEH from the list of Issuers in the dropdown
7. Enter Year and Roll number
8. Name, as per Aadhaar, will be displayed in uneditable format.
9. Search the document
10. If found as per student's name and details entered, result will be shown
11. Save the URI in your DigiLocker account for future reference and seamless access

If Aadhaar linked DigiLocker account exist
