

SARVEPALLI RADHAKRISHNAN LAB SCHOOL, EDUCATION BOARD CAMPUS, HANSI ROAD, BHIWANI 127021

CLASS X RESULT, SESSION 2019-20

The students of SRS performed stupendously in the Secondary Board Exams -2019-20 under the dynamic guidance of **worthy Co-president, Dr S. Radhakrishnan Shiksha Samiti cum Chairman BOSE, Haryana Dr Jagbir Singh** and revolutionized academic excellence approach of **Sh. Rajiv Prashad, H.C.S., Chief Executive Director, SRS cum Secretary, BOSE, Haryana**. Our torch bearers always led us to the road of success with their unstinted administrative and academic support.

The Board results of the school are not an outcome of one day effort but the contribution of all members associated with SRS from top to bottom, from students to parents, from teachers to supporting staff, have brought the laurels to the school. The school has concentrated not only on the academic wellbeing of a child but also on the physical, mental and emotional well-being by focusing on understanding values, nurturing skills and moving towards knowledge.

As positive interaction is essential between students and the teachers, every time we connect with children, it's not just their eyes that light up—it's their brains, their hearts too. For overall development; we are providing our students a positive environment for brain building. We are conducting following activities (other than academics) to reach the goal:

1. Super Brain Yoga
2. Meditation
3. Yogic Exercises
4. Quizzes (Science, Maths, G. K. etc.)
5. Exhibitions: Science, Maths, Art and craft
6. Career counselling
7. To tackle the psychological issues of the students we organise counselling sessions by psychologists. We also constitute a guidance and counselling committee every year in the school.
8. Career counselling sessions.

SRS

9. To increase creativity among the students, in order to cater the needs of a holistic personality, we organise Drawing and Colouring, sketching, poster making, best out of waste competition.
10. Activities related to Music, Dance, Drama.
11. To increase the team bonding and leadership quality we organise many sports activities. Sports activities also help in improving physical health of the students.
12. Educational trips to make the teaching learning process a fun filled activity.

An SRSian educated through all above measures tackles the academic and emotional areas with great ease. For academic excellence the school follows the below mentioned activities

1. Additional informative classes on daily basis from the beginning of the session.
2. Coaching classes for NMMS and NTSE.
3. Buffer Days.
4. Periodic and Unit tests.
5. Evaluation and analysis of academic performance of the students on weekly basis.
6. Timely reporting to parents to find remedies for the hurdles in learning.
7. Conducting tests drafted by subject experts other than the school staff.
8. Interaction with the alumnus and alumnae of the school who are performing great in their respective institutions and fields etc.

Through team work, every student is prepared as an asset to the nation and society. The team which turned the dream into reality is as follows with all details:
