

Initiatives Taken For The Holistic Development Of The SRSians

Success is not an accident, it is a fine combination of hard work, perseverance and love of what you are doing or learning.

SRS is a place where one finds the ultimate opportunities to unfold one's hidden potentials, paving way to their glorious future. The span till date was very much a time of fusing and strengthening up to be all set to get ready for the new shape.

As positive interaction is essential between students and the teachers, every time we connect with students, it's not just their eyes that lit up- it's their brains, their hearts too. For overall development; we are providing our students a positive environment for brain building. The school is concentrating not only on the academic well being of a child but also on the physical, mental, social, ethical and emotional well being by focusing on understanding values, nurturing skills and moving towards knowledge. We are conducting following activities to reach the goal:

- **Additional informative sessions**
- **Remedial Classes**
- **Coaching classes for NTSE and NMMS**
- **Super Brain Yoga**
- **Yogic Exercises**
- **Quizzes (Science,Maths,G.K. etc.)**
- **Exhibitions(Science,Maths,Art & Craft)**
- **Career Counselling**
- **Counselling sessions to tackle the psychological issues of the students**
- **Activities related to music,dance and drama**
- **Sports activities to increase the team bonding and leadership qualities**
- **Educational trips and adventure camps to make the teaching learning process a fun filled activities**
- **Interaction with alumni**
- **Teachers ' Training Programmes**
- **Social Drives- "Putrivati Bhava" at State Level and "SRS- The Green Squad(Mera Paryavaran,Meri Jimmedari"- celebrated every year)**

The result of the above efforts is reflected as follows:

Scholastic Distinction

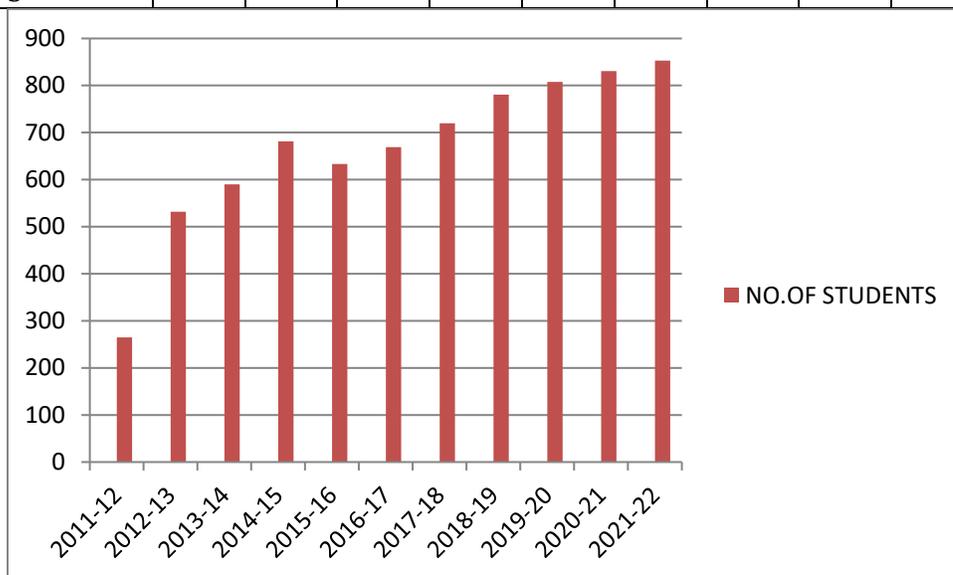

Excellence in academics is the hallmark of any good institution. Board results of classes X and XII of the school have been proving without an iota of doubt that our students have done us proud.

Putrivati Bhava- A Social Drive

It is said that God created mothers because he could not be present everywhere!

At least in India, the girl child has been a topic of discussions and debates for the past several decades but, even today, the position appears to remain unchanged. The girl is always an unwanted child, and is found killed at birth. With the advancement of Science and Technology this killing has only gone still further - for now the girl child is being killed even before birth.

To aware the community with the impending disaster of 'A Land without Girl' Sarvepalli Radhakrishnan School, Bhiwani organized a marathon, Street Plays, Competitions- Painting, Speech, Rangoli, Slogan-Writing and Essay Writing expressing the concern to save the Girl Child as well as to empower the woman under the title – **Putrivati Bhava!**

SRS- The Green Squad

Trees are the earth's endless effort to speak to the listening heaven.

SRSians have been taking it as a great opportunity to plant saplings in order to improve the health of the mother earth. Students and teachers plant more and more trees and have taken proud and prudent responsibility. Students have been planting one plant in the school premises on their birthday.

A herbal garden has been made ready with the blossoms of tulsi, aloe vera, lemon and many more. It fills everyday with the scents of blissful purity and delight of a noble cause towards humanity, towards nature.

SRSians are heading forward to give vulnerable contribution to the society via their aplomb, sincere and dedicated efforts will continue the same.
