Ref.- Diploma holders who has interest in Punjab School Education Deptt. Recruitment drive are reporting pendency in the process due to duality of nomenclature for the diploma.

Respected Sir/Madam,

It is hereby being clarified that this board has been conducting two years' primary teacher training course as per the guidelines of National Council of Teacher Education, The NCTE since 2010 through the affiliated teacher education institutes in the state.

Prior to 2017 this course was given the name of D.Ed or Diploma in Education, but since 2017 the same course has been re-christened as D.El.Ed or Diploma in Elementary Education.

The change in nomenclature of the course effected as per the NCTE guidelines 2014.
