F. No. DST/INSPIRE-MANAK/NOMINATIONS/2024-25

To,

State Nodal Officers (INSPIRE - MANAK Scheme) of all States/UTs (*in Name covers*)

Subject: Opening of online nominations for 2024-25 under INSPIRE - MANAK Scheme.

Sir/Madam,

As you may be aware that INSPIRE - MANAK Scheme is a flagship program implemented by this Department with a basic objective to instil creative/innovative thinking among school students in the age group of 10-15 years and studying in class 6-10.

2. The MANAK Scheme envisages to target one million original innovative ideas from students studying in more than five lakh middle and high schools across the country and selecting the best ideas having potential to cater to societal needs and applications, thereby motivating these students to take these ideas forward for prototype and product development.

3. It may kindly be noted that the registered schools under the INSPIRE - MANAK Scheme, in each financial year, can nominate 5 best ideas from their schools, through online mode, in E Management of INSPIRE – MANAK Scheme (E-MIAS) web portal of the Department using the link: www.inspireawards-dst.gov.in.

4. **The online nominations for 2024-25, will resume from 01st July, 2024. The schools will be able to submit their online nominations till 15th September, 2024.**

5. I request you to please direct all the concerned State and District functionaries, to apprise all the schools under their purview, about opening of online nominations under the MANAK scheme for 2024-25 and the given deadline. **The schools may be suitably informed to submit their nominations well before the given deadline to avoid last minute inconveniences encountered due to heavy load in the E-MIAS web portal.**

6. I also look forward to your kind cooperation in further expanding the outreach of this unique scheme, by expediting the registration of schools yet to be covered under this scheme, from your State/UT, so that, young students with an appetite for creativity and innovation can be provided with rightful platform to showcase their talent.

Yours sincerely

(Namita Gupta)

Subject: Implementation of Govt. of India's INSPIRE - MANAK Scheme 2023-24 - regarding

Dear Dr. Jagbir Singh Ji,

Greetings from National Innovation Foundation - India!

As you are already aware that the INSPIRE Awards - MANAK is a flagship scheme of the Government of India (GoI), jointly implemented by the Department of Science & Technology (DST), GoI and the National Innovation Foundation (NIF) – India, an autonomous body of DST to promote Science and Technology based ideas and innovations by the school students. The scheme is aligned with the Action Plan for "Start-up India" initiative launched by the Hon'ble Prime Minister of India.

The objective of the scheme is to scout, evaluate, select, exhibit, provide support and reward one million original ideas/innovations rooted in science and societal applications to foster a culture of creativity and innovative thinking among school children. This will help address the societal needs through science and technology and nurture them to become sensitive and responsible citizens and innovation leaders of tomorrow.

Similar to previous years, we would require your support for the ongoing season of the annual INSPIRE Awards – MANAK 2023-24 towards mobilizing the ideas and innovations from Schools affiliated to State Board.

Under the scheme, every school may submit best five ideas/innovations among the students studying in class 6 to 10 through portal (www.inspireawards-dst.gov.in) or INSPIRE MANAK App (<https://shorturl.at/adwGJ>). The online nomination has already been started from 1st May 2023 onwards and the last date has been extended until 30th September 2023 on the request of States/UT's.

I request you to issue a circular to all your affiliated schools to actively participate in the INSPIRE -MANAK program.

I seek your active support to mobilize maximum number of original ideas/innovations, so that maximum students can get benefit of the scheme.

I look forward to your kind cooperation to make this initiative a grand success and imbue in our young children, the seeds of creativity and innovation.

With warm regards,

Mahesh Patel
