22<sup>nd</sup> July 2026

Subject: Free Online SWAYAM Courses Offered by AMU (Institution of National Importance) for the  
July December 2026 Semester

Dear Sir/Madam,

In alignment with the vision of Digital India and the objectives of the National Education Policy (NEP) 2020, Massive Open Online Courses (MOOCs) have emerged as a transformative instrument for ensuring access, equity, and quality in higher education. As an Institution of National Importance (INI), Aligarh Muslim University (AMU) has been actively contributing to this national mission by developing and offering high-quality online courses that cater to a diverse community of learners across the country.

The SWAYAM platform advances the objectives of the National Education Policy (NEP) 2020 by promoting multidisciplinary learning, academic flexibility, wider learner choice, and equitable access to quality education. As per the UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, Higher Education Institutions (HEIs) may permit students to earn credits through SWAYAM for up to 40% of the total courses offered in a particular programme during a semester, subject to the provisions of the applicable regulations. This credit-transfer framework enhances curricular flexibility while ensuring the quality and recognition of online learning (Ref. Letter of Secretary, UGC, MoE).

For the July–December 2026 semester, AMU has launched 48 MOOCs (19 new and 29 rerun courses), meticulously designed and delivered by its distinguished faculty members. These courses are available free of cost to all learners, and enrolment is currently open on the SWAYAM portal: <https://swayam.gov.in/INI>. The courses encompass a broad range of disciplines and are intended to equip learners with contemporary knowledge, practical skills, and academic enrichment irrespective of their geographical location or socio-economic background.

In this regard, we earnestly request your kind support in disseminating information about these courses among your students and encouraging them to enrol. Your cooperation in promoting these MOOCs will not only enhance students' academic and professional competencies but also contribute to the national objective of strengthening SWAYAM as a globally recognized platform for quality education.

A detailed list of the 48 SWAYAM MOOCs offered by AMU (INI) for the July–December 2026 semester is enclosed for your kind reference and wide dissemination.

We shall be grateful for your valuable cooperation and support in this important academic initiative and look forward to your positive response.

With regards,

*Naima Khatoon*

D.O.No.1-8/2017(SWAYAM)

12 आषाढ़, 1948/ 3<sup>rd</sup> July, 2026

**Subject: Request to HEIs for Identification and Academic Integration of SWAYAM MOOCs for the July 2026 Semester.**

आदरणीय महोदया/महोदय,

As you may be aware, SWAYAM (<https://swayam.gov.in/>) is the Government of India's national online learning platform, offering high-quality Massive Open Online Courses (MOOCs) across diverse disciplines, thereby supporting the objectives of the National Education Policy (NEP) 2020 by promoting multidisciplinary learning, academic flexibility, and wider learner choice, while enabling students to earn academic credits. As per the UGC (Credit Framework for Online Learning Courses through SWAYAM) Regulations, the Higher Education Institutions (HEIs) may allow only up to forty per cent of the total courses being offered in a particular programme in a semester, through the online credit course, through the SWAYAM platform.

**For the July 2026 Semester, the Ministry of Education has approved a list of MOOCs to be offered on the SWAYAM Platform developed by the National Coordinators (NC), namely UGC, CEC, NPTEL, IGNOU, IIMB, AICTE, NITTTR, and Institutions of National Importance, which is available on the SWAYAM portal (<https://bit.ly/445TNJs>) and is enclosed herewith for ready reference. The last date for course registration, NC-wise, is also enclosed. The HEIs are requested to ensure that students complete their course registration *on or before* the respective last dates.**

Here, it may also be noted that the HEIs that have adopted the above UGC SWAYAM Regulations, 2021, and have also adopted the UGC Framework for Universities to conduct examinations for SWAYAM Courses (issued vide D.O.F. No. 1-8/2017 (SWAYAM) dated 27<sup>th</sup> August, 2024), may allow their students to appear in the SWAYAM Course End-Term examinations at their own campuses. This provision is in addition to the end-term SWAYAM Exam being conducted by NTA/NPTEL and facilitates greater accessibility and flexibility for learners.

**To ensure effective academic integration and optimal utilisation of these courses, in the July 2026 semester, you are requested to:**

- Circulate the list of approved SWAYAM courses among Deans, Heads of Departments, SWAYAM University Nodal Officer (SWAYAM UNO) of your institution.

:1:

Contd./

:2:

- Convene a meeting of the University/Institutional SWAYAM Advisory Committee to:

- I. Identify and map relevant SWAYAM courses being offered in the July 2026 semester with existing programmes and syllabus;
- II. Finalise the mechanism for credit transfer and adoption in the July 2026 Semester;
- III. Display the approved list of SWAYAM courses on the university/institutional website/official Social Media handles for wider dissemination.

Your continued support and cooperation in the successful implementation of the SWAYAM initiative is earnestly solicited.

सादर,

भवदीया,

श्यामा रथ

(श्यामा रथ)

संलग्नक: List of SWAYAM MOOCs approved for the July 2026 Semester, along with the last date for course registration, NC-wise.

सेवा में,

1. सभी राज्यों/संघ राज्य क्षेत्रों के माननीय राज्यपालों के प्रधान सचिव।
2. सभी राज्यों/संघ राज्य क्षेत्रों के उच्च शिक्षा विभागों के प्रधान सचिव/सचिव।
3. सभी विश्वविद्यालयों के कुलपति।
4. सभी महाविद्यालयों के प्राचार्य।
